

Dahle 560

Professional Guillotine

The Dahle 560 professional guillotine is designed for precision and durability. It features a self-sharpening system for a perfectly honed blade, a safety shield to protect fingers, and a sturdy metal base with screened guides for easy alignment. This German engineered paper cutter is ultra-precise and ideal for paper, photos, & cardstock.

Features | Benefits

- Self-sharpening cutting system maintains a perfectly honed blade
- Protective shield keeps fingers safe and holds work in place
- German steel blade is machine ground to the ideal trimming edge
- Blade will safely hold any angle and won't fall unexpectedly
- Sturdy metal base provides a solid foundation that won't warp or crack
- Screened inch, metric, and angled guides for easy alignment
- German engineered for precision and accuracy
- Adjustable alignment guide for repetitive cuts
- Great for trimming paper | photos | cardstock

Self-sharpening system maintains a perfectly honed blade.

The adjustable alignment guide ensures accuracy during repetitive cuts.
