

100 % Recycled, Plastic Free Covers

Item #: 03ENVIROBKAA

Product Information

Recycled: Made entirely from repulped paper leftovers and scraps.

Plastic Free: Coated with a completely plastic-free, organic coating and shipped without plastic.

Full Circle: Material and packaging can be further recycled after use.

Non-Toxic: Produced in a facility that is completely solvent and heavy metal free.

EnviroCover combines the strength and durability you look for in a document cover, with the added benefit of being one of the most sustainable products on the market.

Made entirely from repulped leftovers of other materials, EnviroCover is 100% recycled and plastic free. This process reduces energy and waste.

EnviroCover is packaged in a 100% recycled, corrugated box without the use of shrink wrap, and may be recycled after use.
