

## Semi-automatic electric tab index & divider cutter

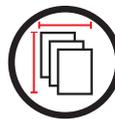

The **Onglematic5**® is a simple, yet powerful electric tab index & divider cutter for loose leaves. It can be able to cut up to 500 dividers / hour pending on the nature of the document, the operator skills and the work organisation. It is available with pre-set tab lengths in O5 Standard version or with programmable variable lengths in O5P & O5-A3 versions. It can also be used as a straight cutting device - guillotine.

### FEATURES & BENEFITS

- **Versatility:** Pre-set tab length on O5 Standard version: the stop positions are calculated so the length of each tab is identical (from 2 to 31 tabs for 297 mm long sheet). Variable tab lengths with storage of up to 64 programmes for the O5P & O5-A3 versions.
- **Efficiency:** The Onglematic5® is able to produce up to 500 dividers per hour (220 gsm).
- **Easy-to-use:** Magnetic lateral stop & ruler. Digital adjustment: the stop moves automatically from one position to the next one upon validation by the operator. Semi-automatic operation for on demand tab cutting. Just set the cutter to your paper size (in inches or mm) and to the desired quantity of tabs. Push down the handle to cut the first edge and repeat the process for all tabs in your set.
- **4 tab shapes:** 15° angle, 90° angle, 90° angle with round inside, 90° angle with double round corner.

#### Cutting Wide

Max: 210 & 297 mm  
(O5 Standard)  
Max: 320 mm (O5P)  
Max: 420 mm (O5-A3)

#### Cutting Thickness

Up to 10-15 sheets  
(80 gsm)

#### Sheets per Hour

Up to 500 dividers

#### Tab Shapes

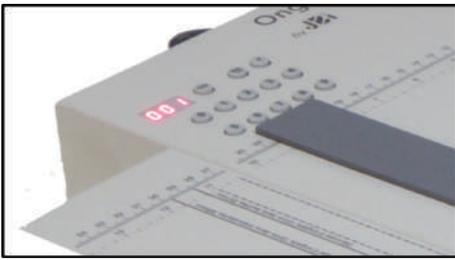

Wide selection of interchangeable tab shapes

#### Power Requirements

220/240 V, 50Hz, 1ph  
110/120 V, 60Hz, 1ph

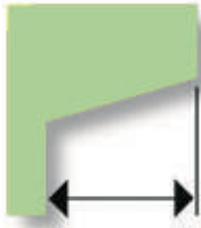

Easy digital control panel to set up the desired cutting lengths

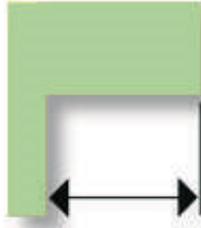

Ergonomic handle for the user

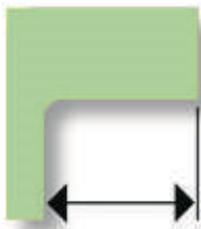

Presence of many stops for a good sheets holding and clean and precise cutting

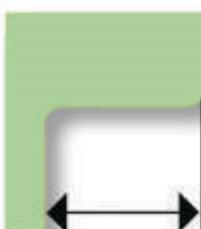

Standard (15° angle)  
Up to 18 mm tab extension

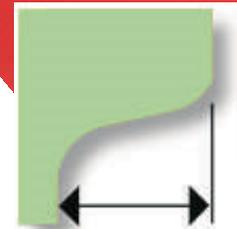

90° angle  
Up to 18 mm tab extension

90° angle with internal round corner  
Up to 18 mm tab extension

90° angle with double round corner  
12 mm tab extension

1/2" tab extension  
12,7 mm tab extension

## TECHNICAL CHARACTERISTICS

	O5	O5P	O5-A3
Cutting width	210 & 297 mm	Max: 320 mm	Max: 420 mm
Cutting thickness	Up to 10-15 sheets (80 gsm)		
Number of tabs	From 2 to 31		
Length of tabs	Pre-set	Variable	
Power	220/240 V (50Hz) 1ph - 110/120 V (60Hz) 1ph		
Machine dimensions (LxDxW)	450 x 580 x 300 mm		570 x 780 x 300 mm
Net weight	10 kg		11 kg

\* Above outputs are based on 220 gsm sheets and will vary pending on the nature of the document, the operator skills and the work organisation.
