# Dahle 50410 Shredder

Oil-Free Office Shredder

The Dahle 50410 Office Shredder is oil-free and supports the document destruction needs of busy offices with 3-5 users. It features oil-free, hassle-free operation, SmartPower energy management, and Trident Grip jam protection to eliminate frustration. This P-3 shredder produces a 3/16" x 1 9/16" particle size and holds up to 30 gallons of shredded waste. It's German engineered and guaranteed to provide many years of trouble free operation.

### OIL-FREE

Wondering when your shredder was last oiled is no longer a concern with this oil-free, hassle-free shredder. Through clever engineering, this machine maintains peak performance without the aid of oil.

### JAM PROTECTION

The cylinders Trident Grip design produces three continuous points of contact with the paper, pulling it straight through the cylinders providing unprecedented jam protection. The result is a machine with strength, power and the ability to handle all of your data destruction needs.

### SMARTPOWER

This shredder automatically powers down after 30 minutes of inactivity. It will appeal to those interested in conserving energy as well as reducing electrical costs.

## Product Features

### Oil-Free / Hassle-Free Shredding
