OIL-FREE

Wondering when your shredder was last oiled is no longer a concern. Through clever engineering, this machine maintains peak performance without oil. This PaperSAFE® shredder is not only convenient to use and economical to maintain, but also easier on the environment.

WHISPER QUIET

Having a quiet work space is critical for productivity. This shredder features Whisper Quiet operation that produces the lowest decibel levels in its class. It's perfect for shredding in

a quiet office and not disturbing others nearby or on the phone.

JAM PROTECTION

Fewer things are more frustrating than a paper jam. With built-in jam protection, this shredder prevents those annoyances. If sheet capacity is exceeded, the motor automatically stops and reverses to push the paper back out. This prevents a jam and makes it easy to re-feed fewer sheets.
