

ON-A-ROLL LIFTER® LOW PROFILE

Designed specifically for sign makers and others businesses with the need to handle wide or heavy media rolls, particularly those with lower profile grand- and wide-format printers. It enables users to quickly and effortlessly lift media as heavy as 660 lbs (300 kg) and as wide as 16 feet 5 inches (500 cm), with diameters as great as 15.75 inches (40 cm). With a 3.25 inch (8.25 cm) clearance of the bottom fork, it's a perfect complement to HP Latex 1500 and HP 3000 Series printers.

IMPORTANT FEATURES

- Easy-to-use operation reduces on-the-job injuries
- User-friendly operation avoids costly and dangerous handling mistakes that damage media
- Single-person operation saves labor and time
- Designed to operate even in shops with limited floor space
- Rugged construction ensures long lifter life
- Newly updated ergonomic pull bar and stronger media tray
