Visually Enhanced Whiteboards

Communicate, collaborate, and learn with Ghent Graphics, visually enhanced whiteboards. Available in seven different offerings, you'll find a dry erase board that will work to promote communication in your hospital with Patient Room Boards, Operating Room Scheduling and Operating Room Time Out boards; LEAN Manufacturing and In/Out boards; and Grid whiteboards for use in your office or classroom. Each board comes framed in our sleek, 1/4" smooth aluminum frame. Graphics are produced in gray to seamlessly match any interior.

Features

- Available in both magnetic and non-magnetic surfaces
- Detachable SmartPak tray comes with every board
- Resists staining and ghosting and graphics will not fade
- Carries a 10-year warranty
