## Specifications

The VisuAll PC combines an erasable 1/8" whiteboard surface with a useful 3/8" fabric tackboard.

The gray pvc framing is permanently attached to the writing/tack surfaces.

The outer fabric tackboard hinges open from the center to reveal the whiteboard or closes for privacy.

Compact enough for small spaces but surprisingly generous in size. Opening to 72" of whiteboard surface, the unit closes to 36" of fabric tackboard. Available in gray, blue or beige fabric.

Each VisuAll comes complete with mounting accessories for easy attachment to walls or for hanging from divider panels.

The VisuaAll PC cabinet carries a 10 year guarantee.
