Electric / Triple Stage / Dual Motor

# HANDSET

## CAUTION

- Keep children away from desk - especially handset, controller / powerbrick, legs, or cables. There is a risk of electric shock or serious injury.
- Do not open any components - especially handset, controller / powerbrick, legs or cables. There is a risk of electric shock or serious injury.
- Close supervision is necessary when children, elderly, or persons with disabilities are in close proximity.
- Keep all electrical components away from liquids or wet areas.
- Do not sit or stand on desk. Do not crawl or lie under desk.
- Do not place any object taller than 20" (when using glides) 23" (when using casters) under desk.
- Never operate desk if cords / plug are wet or damaged.
- Make sure there are no obstacles in the path of the desk's motion.
- Make sure all cords are appropriate length to accommodate desk's motion.
- Never exceed noted weight capacity.
- Ensure all hardware are properly tightened.
- If component needs to be replaced, remove power cord first.
- In the event of a power outage or accidental removal of power cord, a manual reset may be necessary. See **MANUAL RESET**.

## USE & LIABILITY

Read all instructions before using desk. Keep instructions for reference. Manufacturer does not accept warranty claims or liability claims for damages caused by improper use or handling.
