Foster

ON-A-ROLL LIFTER® GRANDE MAX

Need a workhorse lifter that can manage large or heavy rolls? The Foster On-a-Roll Lifter® Grande Max is just the ticket. Designed specifically for roll converters, package printers, and other businesses needing to handle very heavy media, this beefy lifter lets one operator move rolls as heavy as 2,200 lbs (1,000 kg). The specially designed tray accommodates rolls for easy loading and unloading, as well as transporting.

IMPORTANT FEATURES

- Specially designed tray for easy loading and unloading rolls
- Pair of heavy-duty swivel casters with easy step-on locking brake
- Reduces on-the-job injuries and enables all workers to move heavy rolls
- User-friendly operation avoids costly and dangerous handling mistakes that damage media
- Rugged construction ensures long lifter life
- Single-person operation saves labor and time
