No matter what your project, the Pinnacle 27 roll laminator provides perfect, high quality lamination every time. Utilizing heat roller technology, expect the most consistent lamination quality with the highest clarity, even on long runs. With improved open design and auto-grip shafts, film loading is stress free. Plus, with an array of improved user friendly features, laminating posters, signs, flashcards, tags and more up to 27" wide is easier than ever.

Schools, churches and more also have peace of mind knowing that the Pinnacle 27 is backed by a one year warranty.

Easy Film Loading

- Auto-grip shafts for easier film loading
- Improved open design creates added space during film loading

User Friendly Features

- Auto standby and shut off saves power
- Edge guide ensures perfect alignment for difficult projects
- Extended rear exit reduces film wraps
- Footage counter helps track film usage
- Auto reverse now works even with the heat shield to clear jams with ease.
