## Product exit incline conveyor

- Variable speed drive
- #304 stainless steel construction
- Plastic intralox type belt
- Conveyor paddles to help move product up conveyor
- 220V

### More Details:

Our MC-INC-250 incline conveyor with cleats is ideal for easy product movement. The conveyor will convey a wide variety of products such as confectionary, noodles, chocolates, frozen meats etc. The conveyor is built to order with seamless integration to upstream and / or downstream equipment. Both the conveying capacity and speed can be adjusted independently to maximize performance.

Wider conveyor widths (12" and 18") are available via special order.

Warranty – 1 year
