Porcelain Steel Whiteboard

with Origin™ Trim

Porcelain Steel Whiteboard - Origin™ Trim

- Magnetic porcelain steel whiteboards are engineered for superior color contrast with dry erase markers. Standard gloss dry erase surface provides superior writability and erasability with no ghosting. Reduced surface light distortion enhances visibility to provide optimum eye comfort.
- Steel is permanently laminated to a light weight substrate for stability and durability.
- Origin™ Trim is an attractive blend of materials, adding richness to any environment. Available in silver anodized aluminum, or in medium oak or mahogany finished solid oak. Includes Magnetic Q-Tray for markers and erasers.
- Class A Fire Rated board. A full test report copy is available upon request.
- Made in the USA. TAA compliant. Fifty year limited warranty. Has achieved GREENGUARD GOLD Certification.
- For interactive projectors with strict flatness requirements, we recommend the Interactive Projector Board or Projection Whiteboard with Polyvision® duo Surface, providing guaranteed results for projectability, erasability and durability.

Part No.	Product Dimensions	Ship Wt.

Porcelain Steel Technical Information

- Multipurpose magnetic surface with superior writability and erasability for dry erase markers. Superior contrast and reduced surface light distortion minimizes glare for optimum eye comfort.
- A precisely balanced porcelain enamel ground coat is furnace-fused to both sides of 28 gauge (standard) or 24 gauge (custom) steel.
- The first furnace fuses a ground coat of enamel that is heat-softened at approximately 1450° F. The second furnace firing fuses a coat of enamel to the ground coat enamel. Color Fusion ceramic top coat is applied providing the desired surface color.
- A fade resistant waterproof resin glue bonds the porcelain to a moisture-resistant core and .005" polyester foil backer sheet. Also available with upgraded sheet aluminum backer. Custom sizes are available. Off-white is standard.
