Dahle 448

Premium Rotary Trimmer

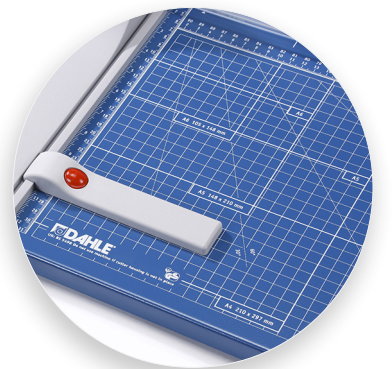

The Dahle 448 Premium Rotary Trimmer with a 51" cut length is designed for precision trimming of thicker material. It features a ground self-sharpening blade, an extruded aluminum guide bar for strength, and an automatic clamp to prevent shifting. This German engineered cutter is ultra-precise and ideal for trimming paper, cardstock, and matboard.

Self-sharpening system maintains a perfectly honed blade.

Features | Benefits

- Self-sharpening blade cuts in both directions
- Dual cylinder aluminum guide bar for strength in trimming thicker material
- Automatic clamp holds work securely and prevents shifting
- Sturdy metal base provides a solid foundation
- Ground steel blade is encased in protective housing for safety
- German engineered for precise trimming
- Cuts up to 20 sheets of paper at a time
- Screened inch, metric, and angle guides for easy alignment
- Adjustable alignment guide for repetitive cutting
- Perfect for trimming large format paper, photographs, and cardstock

Easily align work with screened inch, metric, and angled guide lines.

Metal Base

German Engineered

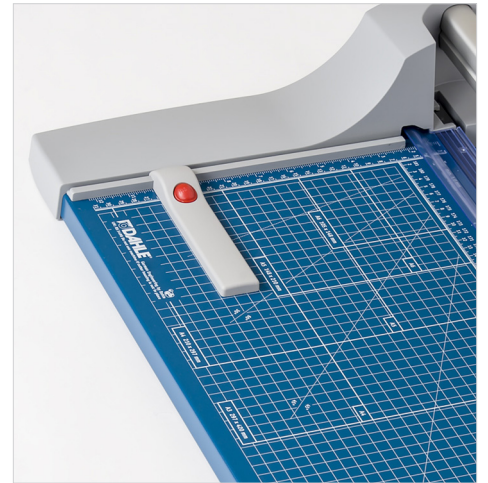

With a self-sharpening blade and a sturdy metal base, this precision cutter is ideal for trimming paper, photos, cardstock, and matboard.

Dual cylinder aluminum guide bar keeps cutting head straight and stable while trimming.

Automatic clamp applies gentle pressure to prevent your work from shifting.

Metal base provides a stable cutting foundation that won't warp or crack.
