WHITEBOARD ROOM DIVIDERS

MD4072W

MOBILE MAGNETIC WHITEBOARD ROOM DIVIDER

Here's a partition that encourages productivity while also promoting safe social distance. With a tall, double-sided, magnetic dry-erase surface that extends nearly to the floor, it's perfect for open office layouts.

A single divider can be used to provide separation between two workspaces. You can also combine several together to create a separate work area with an entire whiteboard wall. A strong, steel frame with lockable casters makes this mobile whiteboard easy to move when you need to, yet sturdy and stable when you don't.

Part whiteboard. Part sneeze shield. Entirely useful.

Features:

- An effective ideation tool that also provides safe separation between workspaces
- Full-length, vertical orientation
- Double-sided whiteboard for twice the writing area
- Painted steel surface resists ghosting and provides excellent erasability
- Magnetic surfaces allow users to display papers or posters
- Aluminum inner frame with a steel outer frame
- Great mobility with four casters, two with locking brakes

Dimensions:

- Overall: 43"W x 24"D x 75"H
- Board: 38.5"W x 64"H
