24" X 18" PLASTIC UTILITY TUB CARTS

SEC11-B | SEC111-B | SEC11-G | SEC111-G

Introducing two new additions to Luxor's line of bestselling plastic utility carts. The SEC11 and SEC111 are smaller, more compact tub carts that are ideal for industries looking to transfer loads in settings where durability and strength are needed. Available with two or three 2.5" deep tub shelves, these sturdy multipurpose carts are made of high-density polyethylene (HDPE) which is known for its incredible strength-to-density ratio while being resistant to stains, scratches, and dents.

Perfect for industrial, educational, or everyday demands, these lightweight carts easily glide across indoor and outdoor floor surfaces thanks to quality features like an ergonomic push handle and full-swivel casters; simply engage the two locking brakes when you need to keep the cart stationary.

These Made-in-USA carts are designed to carry evenly-distributed loads up to 400 lbs. (500 lbs. with the optional 5" heavy-duty casters) and are the right choice for warehouses, shops, garages, foodservice, offices, and schools.

Dimensions:

- SEC11 Overall: 27.25" W x 18" D x 34.25" H
- SEC111 Overall: 27.25" W x 18" D x 36.25" H
- Shelves: 24" W x 18" D
- Tray Depth: 2.5"

Features:

- Molded plastic shelves and legs will never rust, dent, scratch, or stain
- HDPE (high-density polyethylene) shelves; PVC square legs
- Shelves safely transport goods in 2.5" deep tubs
- Ergonomic push handle molded into top shelf
- Four 4" full-swivel casters with two locking brakes; available with 5" heavy-duty casters
- Holds up to 400 lbs. (500 lbs. with heavy-duty casters)
- Available in black and gray
- Made in the USA
