# NOVUS<sup>®</sup> PRO STAPLERS

## B54 HEAVY DUTY STAPLER

Novus Pro Staplers are the preferred choice among professionals throughout the world and the Novus Pro Heavy Duty Series are no exception. These rugged tools are capable of continually stapling large quantities of paper with minimal effort. Designed and developed in Germany, they will exceed your expectations and improve productivity and efficiency in the workplace.

The Novus Pro Heavy Duty B54 has a stapling capacity of 170 sheets and features an automatic bypass system which provides the convenience of using larger staples on smaller projects. Other features include an innovative Anti-Blocking System (ABS) which prevents the possibility of a staple jam and having your documents stuck to the stapler. A dual staple

guide system further ensures trouble free performance by providing even pressure on the staple legs until it clinches your documents.

The Novus Pro Heavy Duty B54 is 17 3/4" in length has a throat depth of 9 7/8" which makes it perfect for binding booklets as well as heavy duty stapling. The sliding adjustable depth guide allows you to set the staple location and ensure you clinch your desired depth on each and every document.

For optimal performance, we recommend using Novus Heavy Duty #23 staples. These thicker gauge, precision formed staples will ensure your Pro Stapler performs as designed. The B54 will accommodate staples up to 20mm in length.

### B54 HEAVY DUTY STAPLER

- ▶ Anti Blocking System prevents staple jams
- ▶ Bypass System prevents overlap of staple legs when stapling smaller quantities
- ▶ 9 7/8" throat depth for greater reach across documents and binding booklets
- ▶ Dual staple guide encases the staples & provides superior performance and reliability
- ▶ Stapling capacity: 20 - 170 sheets
- ▶ Rotating anvil for bypass or parallel stapling
- ▶ Heavy duty durable base provides support and durability for extended use
- ▶ Adjustable paper depth guide for accuracy

*Dual staple guide system provides even pressure on the staple legs until it clinches your documents.*

*Adjustable depth guide ensures you staple at the desired depth each and every time.*
