TO BE RETURNED WITH THE MACHINE IF DEFECTIVE

All Cutting Systems are sold with a 1-year Warranty. The terms of the 1 year Warranty are as follows:

1. Each machine is guaranteed against all defects in material and/or workmanship for a period of one (1) year from the date of purchase.
2. No machine will be accepted without written notification from the customer giving details of the problem that has occurred, and proof of purchase with purchase date circled and official RMA number issued only by Xyron Customer Service
3. All machines for repair are to be returned to Xyron with adequate packaging. No liability will be accepted by Xyron for goods damaged in transit from the customer, due to inadequate attention to packaging.
4. The supplier will be responsible for all parts and labor charges as necessary to repair the machine.
5. Xyron may choose to replace defective machine with a fully functional reconditioned machine, or, use reconditioned parts to repair the machine.

The 1-year Warranty is subject to the following conditions:

All Cutting Systems are sold with a 1-year Warranty. The terms of the 1-year Warranty are as follows:

- a. That the supplied machine has been used strictly in accordance with the operating instructions supplied with the machine.
- b. That if the benefit of this Warranty is sought, the machine must be returned, postage paid to the Xyron Authorized Repair Center. Xyron does not accept responsibility for loss or damage in transit.
- c. That the Warranty is invalid if the defects are found to be caused by accident, misuse, alteration, or neglect.
- d. That the Warranty does not cover machines used for commercial output.
- e. That the Warranty covers only the time period from the date of original purchase from a Xyron-authorized Dealer.
- f. That this Warranty does not affect your statutory rights as a consumer.
